

# INDICE

- Ampulla membranacea lateralis* (40b), lat. 4  
*Ampulla membranacea superior* (41b), lat. 4  
*Anulus fibrocartilagineus* (21), lat. 2  
*Antrum tympanicum* (18), med. 1, lat. 2, med. 2  
*A. carotis interna* (44), lat. 4  
*Articulatio incudostapedia* (23c), lat. 2
- Basis stapedis* (34d), lat. 3, med. 3  
*Bulbus v. jugularis internae* (43), lat. 4  
*Buttress anterior* (1a), med. 1  
*Buttress posterior* (1b), med. 1
- Canalis caroticus* (27), med. 2  
*Canalis facialis* (26), med. 2, lat. 3, med. 3  
*Canalis semicircularis lateralis* (29),  
 lat. 3, med. 3, (40), lat. 4 et add.  
*Canalis semicircularis posterior* (42), lat. 4 et add.  
*Canalis semicircularis superior* (30),  
 lat. 3, med. 3, (41), lat. 4 et add.  
*Canalis bulbi v. jugularis internae* (28), med. 2  
*Caput mallei* (22a), lat. 2, med. 2  
*Caput stapedis* (34a), lat. 3  
*Cellulae ossi temporalis dextri* (19), med. 1, lat. 2  
*Cellulae processus styloidei* (7a), lat. 2  
*Cellulae tegminis tympani* (16a), med. 1, lat. 2  
*Chorda tympani* (10), lat. 1, med. 2, lat. 4  
*Cochlea* (55), lat. 4 et add.  
*Corpus incudis* (23a), lat. 2, med. 2  
*Crus anterior (stapedis)* (34b), lat. 3  
*Crus breve (incudis)* (23b), lat. 2, med. 2  
*Crus longum (incudis)* (23d), med. 2  
*Crus posterior (stapedis)* (34c), lat. 3  
*Cuniculus Corti* (61a), lat. 4 et add.
- Ductus cochlearis* (55a), lat. 4 et add.  
*Ductus semicircularis lateralis* (40a), lat. 4  
*Ductus semicircularis superior* (41a), lat. 4
- Eminentia arcuata* (17), med. 1, lat. 2  
*Eminentia pyramidalis* (32), lat. 3, med. 3
- Fenestra cochleae (Fenestra rotunda)* (51), lat. 4  
*Fenestra vestibuli (Fenestra ovale)* (50), lat. 4  
*Fissura petrotympanica* (9), lat. 1  
*Fissura tympanomastoidea* (8), lat. 1  
*Foramen stylo-mastoideum* (26a), med. 2  
*Fossa cranii media* (14), med. 1  
*Fossa mandibularis* (11), lat. 1
- Ganglion geniculi (n. facialis)* (39a), lat. 4 et add.
- Incus* (23), lat. 2, med. 2
- Ligamentum incudis superius* (24b), lat. 2, med. 2  
*Ligamentum mallei superius* (24a), lat. 2, med. 2  
*Limbus membranae tympani* (20e), med. 2  
*Linea temporalis* (4), lat. 1
- Malleus* (22), lat. 2, med. 2  
*Manubrium mallei* (22b), lat. 2, med. 2  
*Meatus acusticus externus* (13), lat. 1, med. 1, lat. 2  
*Membrana basilaris* (63), lat. 4 et add.  
*Membrana tectoria* (62), lat. 4 et add.  
*Membrana tympani* (20), lat. 2, med. 2  
*Membrana vestibularis (Reissneri)* (60), lat. 4 et add.  
*M. stapedius* (49), lat. 4  
*M. tensor tympani* (38), med. 2, med. 3, lat. 4
- N. facialis* (39), med. 3, lat. 4 et add.  
*N. stapedius* (48), lat. 4  
*N. stato-acusticus* (53), lat. 4 et add.
- Organon spirale (Corti)* (61), lat. 4 et add.  
*Os temporale dextrum* (1), lat. 1, med. 1,  
 lat. 2, med. 2, lat. 4
- Pars cochlearis n. stato-acustici* (54), lat. 4 et add.  
*Pars flaccida* (20c), lat. 2, med. 2  
*Pars tensa* (20d), med. 2  
*Pars tympanica* (2), lat. 1  
*Pars vestibularis n. stato-acustici* (52), lat. 4 et add.  
*Pili cellulae* (61b), lat. 4 et add.  
*Plexus a. carotidis internae* (45), lat. 4  
*Plexus tympanicus* (36), lat. 3  
*Plica malleolaris anterior* (20a), lat. 2  
*Plica malleolaris posterior* (20b), lat. 2  
*Processus lenticularis* (23e), med. 2  
*Processus mastoideus* (6), lat. 1  
*Processus styloideus* (7), lat. 1, med. 1  
*Processus zygomaticus* (5), lat. 1  
*Promontorium* (35), lat. 3, lat. 4
- Rami n. petrosi majoris et minoris* (46), lat. 4  
*Ramus n. facialis communicans cum  
 plexu tympanico* (39b), lat. 4  
*Ramus tympanicus n. glossopharyngei* (47), lat. 4
- Sacculus* (57), lat. 4 et add.  
*Scala tympani* (59), lat. 4 et add.  
*Scala vestibuli* (58), lat. 4 et add.  
*Septum canalis musculotubarii* (37),  
 lat. 3, med. 3, lat. 4  
*Spina supra meatum* (3), lat. 1  
*Stapes* (34), lat. 3, med. 3  
*Sutura petrotympanica* (1c), med. 1, lat. 2
- Tegmen tympani* (16), med. 1, lat. 2  
*Tendo m. stapedii* (33), lat. 3, med. 3  
*Tuba auditiva (Eustachii)* (25), lat. 2, med. 2, lat. 4  
*Tuberculum articulare* (12), lat. 1  
*Tunica mucosa tubae auditivae* (25), lat. 2
- Umbo membranae tympani* (20f), med. 2  
*Utriculus* (64), lat. 4 et add.
- V. jugularis interna* (43), lat. 4  
*V. meningea media* (15), med. 1  
*Vestibulum* (56), lat. 4 et add.
